Dear Club Members,

Our second tournament in November and final DMGC tournament of the year will be at the Arcade Creek Course @ Haggin Oaks. Arcade Creek is fairly open however all the par 3's are very challenging. The course is in great condition, especially the greens with the great autumn weather we have been enjoying this should be a wonderful day. Let's have a great turnout for this tournament.

Please get your entries to me by Tuesday November 12th or let me know you are planning on playing.

This will be the final tournament for the Dick McShane Golf Club as the club will cease to exist after January 1st 2020. My schedule is getting busier and does not give me the time to run the club and tournaments. A very special thank you to all the players who have made this so much fun for the last twenty-five years.

Thanks,
Dick
